A FAMILY TRADITION SINCE 1994, Bayer Interior Woods has been providing exceptional interior solutions for the cabinetry and home building industries. Located in the rural heart of central Minnesota, our 80,000 sq ft facility houses a community of craftsmen who manufacture unique, custom wood products for the discerning homeowner. These fine products are brought to the market place through our elite partner dealers. Utilizing our exclusive multi-tier partnership program includes customized training, design services, custom product offerings, large scale project assistance, marketing, and sales support, our partner dealers are ensured continued success.

*“Our continued success comes from our unique ability to develop working partnerships with the artisans and craftsmen of the cabinet industry. By providing our partners with non-traditional business assistance, unparalleled product offerings and a support team of talented experts, we are an industry innovator and have set the standard for the manufacturer-to-dealer relationship. We know you are in business **for** yourself but, you do not have to do it **by** yourself.”*
